

DCP-J152W Technical Specifications

As part of the Print 3.0 range the DCP-J152W offers simple to use functionality in a compact and stylish machine, making it ideal for any home or home office environment.

Print 3.0 ensures high functionality with ease of use. Navigate the simple to follow menu system via the 4.5cm LCD display and easy to navigate control panel to access the features you need.

With Print 3.0 the DCP-J152W offers enhanced connectivity with your mobile device using the Brother iPrint&Scan app or print wirelessly with Apple AirPrint or Google Cloud Print™.

Scan directly to your online accounts from your printer including Box, Skydrive, Google Drive™, Facebook™, FLICKR®, Dropbox, PICASA™ and EVERNOTE™.

Connect to your wireless network straight from the box with the DCP-J152W's simple set up wizard, to share your machine across multiple users with ease.

The DCP-J152W offers n-in-1 printing to save paper, and a choice of standard or high yield ink cartridges to suit your needs, whilst maintaining high print quality for professional looking documents.

All Brother inkjet multifunctional printers incorporate a four individual inks system meaning that you only replace the ink which runs out, reducing waste and saving you money. The DCP-J152W complies with the strict ENERGY STAR and German Blue Angel environmental standards and ensures low energy consumption, low noise levels and a recycle-friendly design.
